Speed	below average speed (unable to run 70' from standing start in 5 seconds or less)	average speed (Able to run 70' from standing start in less than 5 sec. but not less than 4 sec.)	above average speed (Able to run 70' from a standing start in less than 4 sec. but not less than 3 sec.)	exceptional speed (Able to run 70' from a standing start in less than 3 sec.)

Appendix 4 – Conflict of Interest Policy

Article One -- Purpose

The purpose of this conflict of interest policy is to protect this tax-exempt organization's (NAGAAA Open Division Inc) interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Organization or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

Article Two -- Definitions

1. Interested Person

Any director, principal officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

2. Financial Interest

- b. A compensation arrangement with the Organization or with any entity or individual with which the Organization has a transaction or arrangement, or
- c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Organization is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

Article Three -- Procedures

1. Duty to Disclose

In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement.

2. Determining Whether a Conflict of Interest Exists

After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

3. Procedures for Addressing the Conflict of Interest

- a. An interested person may make a presentation at the governing board or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
- b. The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- c. After exercising due diligence, the governing board or committee shall determine whether the Organization can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Organization's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

4. Violations of the Conflicts of Interest Policy

- a. If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
- b. If, after hearing the member's response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

Article Four – Records of Proceedings

The minutes of the governing board and all committees with board delegated powers shall contain:

- a. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing board's or committee's decision as to whether a conflict of interest in fact existed.
- b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

Article Five -- Compensation

- a. A voting member of the governing board who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member's compensation.
- b. A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member's compensation.

- a. Has received a copy of the conflicts of interest policy,
- b. Has read and understands the policy,
- c. Has agreed to comply with the policy, and
- d. Understands the Organization is charitable and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

Article Seven – Periodic Reviews

To ensure the Organization operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax- exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- a. Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining.
- b. Whether partnerships, joint ventures, and arrangements with management organizations conform to the Organization's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

Article Eight – Use Of Outside Experts

Appendix 9 – Approved Softball Code Changes Pending Implementation With Database Changes

The 2016 Winter Meetings approved the below changes to the Bylaws and Softball Code that are NOT YET effective. At such time as the Executive Board certifies that a reconstructed or new database exists to accomplish the provisions listed herein, then these sections shall become effective and placed in the appropriate place in the IoG. Until that time, they are presented here so you may be aware of their pending implementation.

SECTION 1 - CREATE THE FOLLOWING NEW DEFINITIONS, INSERT AS APPROPRIATE IN SOFTBALL CODE & RENUMBER ACCORDINGLY:

Non-qualifying Association – A member association in which a player does not maintain eligibility to qualify and participate for a calendar year’s GSWS despite having played part or all of a qualifying season in that association.

Player ID – The unique identifying number assigned to an individual player in the NAGAAA database.

Qualifying Association – The member association through which a player maintains eligibility to qualify and participate in a calendar year’s GSWS by that association bearing responsibility for the player’s rating, eligibility standards, and compliance with the NAGAAA database standards.

Qualifying Season – The playing season of each member association in which a player and teams qualify for the GSWS and in which the player is evaluated and rated by the Association.

SECTION 2 – CREATE SC 2.3(B) (F) AS FOLLOWS:

(f) Review GSWS rosters and the ratings database for any rostering and rating of players on more than one GSWS roster and/or ratings in more than one association and report the violation to the Commissioner(s) of the association(s) in which the player is rostered and rated, the Commissioner of NAGAAA, the Membership Committee, and the Ethics Committee.

SECTION 3 – CREATE SC 5.2(B) (3) (F) AS FOLLOWS:

5.2(b) (3) Each player will confirm the accuracy and / or answer the following information:

- A) Name
- B) Birth date
- C) Residency
- D) Rating
- E) Sexual orientation Declaration
- F) Declare any and all associations in which the player played during the qualifying seasons for that years’ GSWS.

SECTION 4 - AMEND SC 5.3 AS FOLLOWS:

5.3 Player Ratings & Database Entry –

a) Each Association shall rate every player, who has declared that association as the player’s qualifying association, on each of its teams using the Player Rating

Guidelines in Appendix 2 and report these ratings to the Assistant Commissioner on or before July 15 of every year.

b) Only a player’s qualifying association shall rate that player for the purposes of the NAGAAA database, and the qualifying association shall be responsible to ensure that the player exists only once in the database with a single Player ID attributed to the player. The qualifying association bears all responsibility for the accuracy of all data attributed and attached to the player. A qualifying association, upon discovering a duplicate player entry, shall notify the Assistant Commissioner to have the duplications merged into one player identity.

c) In the case of a player who plays in multiple associations, the player shall be listed on a team’s regular season roster in the non-qualifying association under the provisions of SC 5.2(a), but the non-qualifying association shall not recreate the player with a separate Player ID nor alter the rating assigned that player by the qualifying association or any data entered by any other association.

d) Any association violating the provisions in this section shall be required to attend the next available Registration & Database Workshop after the violation has been noted by the Athletic Director and shall also be subject to penalties listed in SC 8.8(c)

SECTION 6- CREATE SC 7.7 AS FOLLOWS:

7.7 Player & Associations Requirements of Registering in an Association – Player registration in any NAGAAA member association for play during a qualifying season is subject to the following:

- a) At the first registration for a season in a calendar year in which a player registers in any association, the player must declare which NAGAAA member association is that player’s qualifying association and any other association that player has, will, or may play in all or part of a qualifying season in that calendar year. A player who only registers and declares in one association shall consider that association that player’s qualifying association.
- b) At any subsequent registration in that calendar year, the player shall declare to the association in which the player is registering, that player’s qualifying association and any other association that player has, will, or may play all or part of a qualifying season.
- c) The player shall make declaration to NAGAAA of any association(s) played in pursuant to SC 5.2(b) (3) (f).

d) Any association, registering a player as a non-qualifying association, shall immediately inform, in writing via electronic mail, that player's qualifying association of the player's registration.

e) If applicable, the qualifying association, upon receiving the registration of a player declaring the association that player's qualifying association or receiving the notice in (d) of the player's declaration made in (a) shall request, in writing via electronic mail, a transfer of the player in the NAGAAA database to their association for control of the player's rating and eligibility under SC 5.3.

f) If applicable, any association which is declared as the qualifying association of a player, and that player fails to register in that association, the association shall immediately transfer the player to one of the player's declared non-qualifying associations as chosen by the player which shall become the player's qualifying association.

g) Any and all associations, which receive a valid request for transfer of a player in the NAGAAA database, shall perform the transfer as soon as practicable and without delay, but not later than 30 days after the transfer request has been made or July 10th, whichever comes first, so as not to hinder the duty of the qualifying association under SC 5.3. All associations are expected to maintain open and timely communication between associations to foster correct and accurate registration and declarations of players.

h) Any association violating the provisions in this section shall be required to attend the next available Registration & Database Workshop after the violation has been noted by the Assistant Commissioner and shall also be subject to penalties listed in SC 8.8(c).

SECTION 7 - AMEND SC 8.8(c) AS FOLLOWS:

- 7) Permanent expulsion of the player(s) involved.
- 8) Permanent expulsion of the Association's commissioner.
- 9) Permanent expulsion of the Association.
- 10) A fine of up to \$2,500.

SECTION 8 - MOTION TO INSTRUCT THE BOARD

The Council hereby instructs the NAGAAA Board to accomplish the following in implementing the proposal:

- 1) Direct the Secretary to issue the following suggestions, and any others the board deems necessary and appropriate, to the member associations to aid leagues in complying with the new registration requirements in new SC 7.7 and avoid penalties:
 - a. It is suggested to each member association that you review every part of your current registration processes, forms, and materials for any possible changes that are needed to comply with the new registration requirements under SC 7.7.
 - b. It is suggested to each member association that you update your registration forms, to include a required field where players declare their qualifying association and any other association that they plan to, have, or may play softball (even one game) in during that calendar year.
 - c. It is suggested to each member association, that you query a player submitting registration to your league as a qualifying association on which member association in the past calendar year, if any, will have rated that player and registered them in the NAGAAA database and to make an immediate request for a transfer of that player to the former league. It is suggested you copy the Assistant Commissioner on the transfer request.
 - d. It is further suggested that your association take due diligence to see that the data you are required to collect under your membership in NAGAAA is accurate and fulfills the needs set forth in this resolution.
